Reference: Q#246

Dear Mr. Chairman:

In response to your request for information on changes in the Operating Directives (OD's) between FY 1977 and FY 1978, I am enclosing two sets of papers.

First, because the OD's for individual stations are derived from the overall Objectives of the Directorate of Operations, I am enclosing copies of the Objectives for FY 1977 and FY 1978, plus a summary of the FY 1978 changes. We refine the Objectives whenever appropriate. The changes in the Objectives will account for many of the changes in the individual OD's.

The second set of papers enclosed shows, by division, the changes made in FY 1978 in the OD's of the individual installations. In these lists we have included all changes in substance and priority but have omitted merely editorial changes.

Yours sincerely,

/s/ Stansfield Turner

Admiral Stansfield Turner Director of Central Intelligence Central Intelligence Agency Washington, D. C. 20505

Dear Admiral Turner:

As you know, the Subcommittee on Budget Authorization of the Senate Select Committee on Intelligence is now making preparations for its annual review of the intelligence community budget. An important aspect of this review is the consideration of CIA activities in foreign countries.

It would be of great assistance to the Committee if you could provide a list of all the changes incorporated in the FY 1978 operational directives (0.D.s). Such a list could simply show the 1977 and 1978 texts wherever there has been an addition, deletion or textual change in these documents.

Thank you very much for your assistance in our budget review efforts.

Aloha.

Daniel K./Inouye
